Icon + Text

Text Only

Two patterns are available depending on the presence of icon in the left.

Type

Contained

Outlined

Ghost

Three types are available depending on the background of the container and the border properties.

Radius

Rectangle

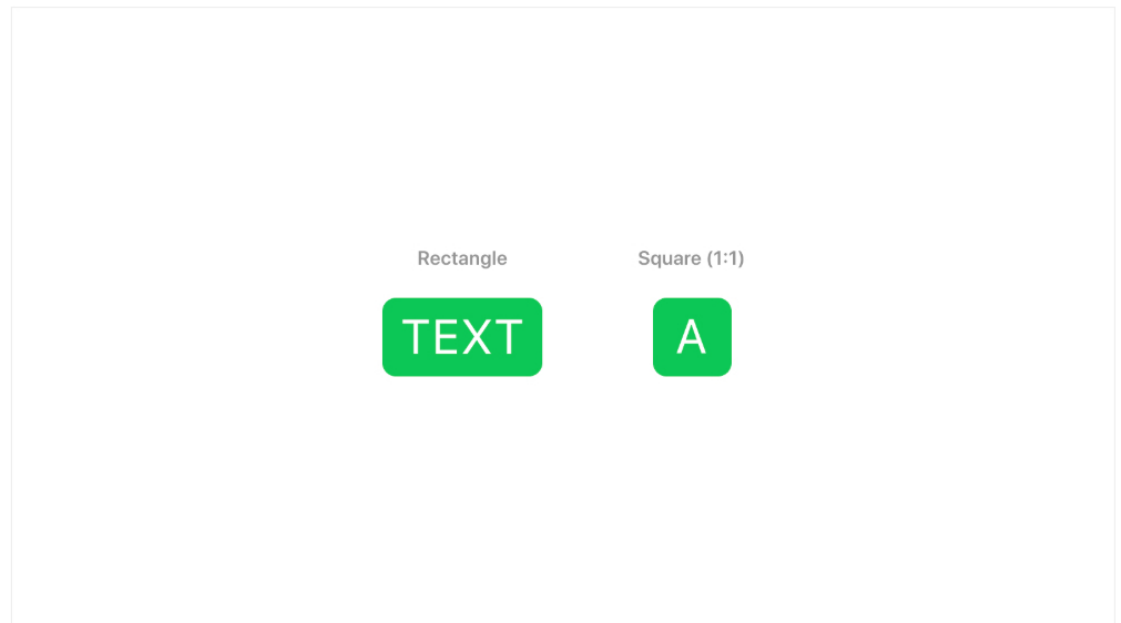

Pill

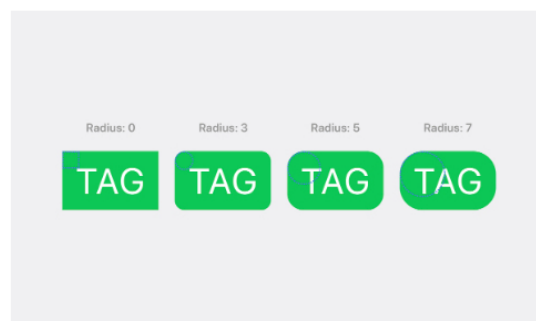

Two types are available depending on the radius. The Rectangle type allows for radius changes within the scope of the LINE Design System for Global Family Service (LDSG) Foundation. The Pill type has a fixed radius of 50%.

Ratio

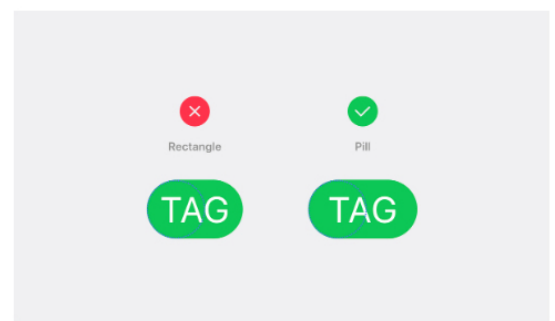

Two types are available depending on the ratio. The Square type is used when only one character will be input.

Usage

Do

Radius: For a Rectangle type, the radius may be selected from 0, 3, 5, and 7.

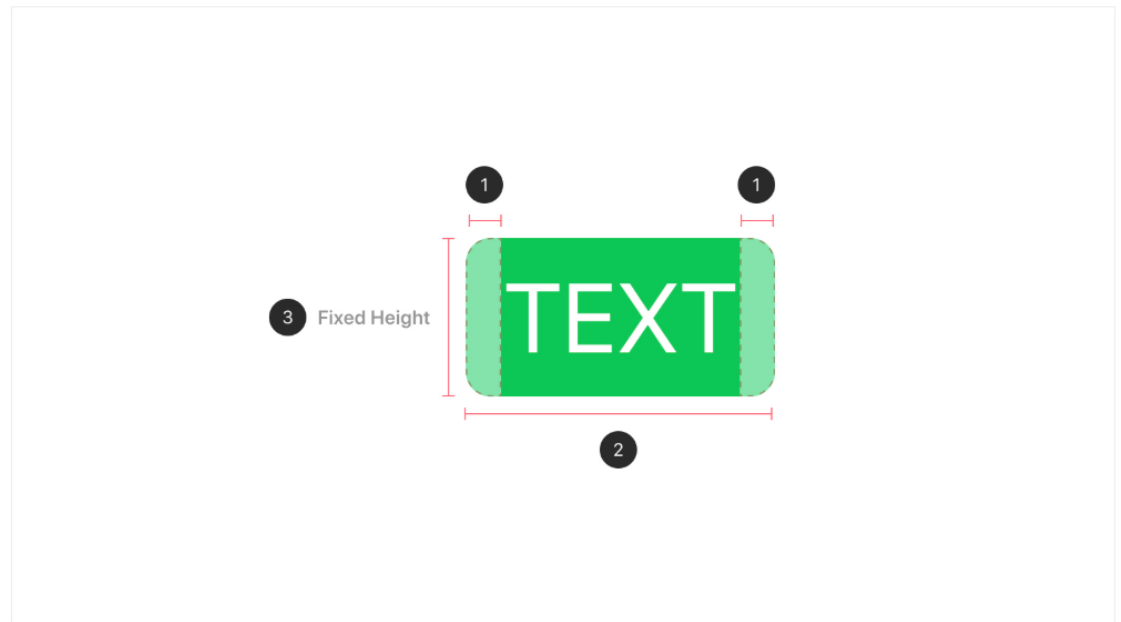

Don't

Radius: Do not adjust a Rectangle type element to create a Pill type element.

The Rectangle and Pill type elements have unique padding values set for each type.

Resizing

Use flexible components to change the width according to the text length while maintaining the left and right padding values.

1	Padding	Unchangeable
2	Width	Flexible Width
3	Height	Fixed Height
